Sushi Rice Catalogue

A trip into the Oriental Cuisine
through our brand

Whether you're a professional chef seeking the texture for sushi or looking for wholesale-priced sushi rice for your supermarket, we offer highly premium varieties at wide range of package formats.

We continuously monitor market trends, service, product quality, range and delivery to ensure we support our customers.

Uncompromising dedication to product and service drives the decisions, as we continually strive to improve our business and product offering for all our customers.

Calrose is a medium grain, with smooth taste, glossy color and a sticky texture. With a mild flavour, it can absorb the flavours of seasonings and ingredients, especially suitable for sushi as well as other oriental dishes. It can also be used in soups and desserts given its ability to withstand cooking.
